

Cannabis Control Board Advisory Committee

Lab Standards and Product Safety Subcommittee Meeting Minutes – August 31, 2021

Meeting called to order at 11:50am. Advisory Committee members in attendance:

- Cary Giguere
- Kim Watson

Members of the public in attendance:

- Scot Waring
- Keith Grawold
- Jimmy Goldsmith
- Kim Kaufman
- Jon Brigati
- Stephanie Smith
- Chuck Storian
- Virginia Renfrew
- Geoffrey Pizzutulo
- Julie Hulburd
- Brynn Hare

Minutes recorded by Brynn Hare.

The subcommittee discussed the Vermont Cannabis Quality Control Program lab certification process, testing requirements for hemp, contaminant action limits, laboratory guidance for representative sampling, and post harvest sampling protocols. The subcommittee also discussed the State of Oregon's Environmental Laboratory Accreditation Program protocols for collection of usable samples of cannabis flower and cannabis concentrates.

Action items: Kim agreed to send to Cary the State of Oregon's Standard Operating Procedures for sampling, and get cost estimates from Oregon laboratories for conducting full panel testing of cannabis. Cary agreed to send Kim the latest links to the Cannabis Quality Control Program's documentation for hemp testing.

The subcommittee members opened the floor for public comment. Members of the public in attendance contributed comments.

Meeting adjourned at 1:30pm.
