Subject: VT | License Number of Five Registered Dispensaries

Dear Authority

Trust this email finds you well.

Per the link <https://ccb.vermont.gov/med-dispensaries>, there are five registered dispensaries in the state of Vermont:

- 1) CeresMed (Burlington and South Burlington)
- 2) CeresMed South (Brattleboro and Middlebury)
- 3) Phytocare Vermont (Bennington)
- 4) Vermont Patients Alliance (Montpelier)
- 5) Grassroots Vermont (Brandon)

Could you please provide me with the "**License numbers**" for these registered dispensaries or if you can guide me where can I find them on the Vermont Cannabis Control Board website?

Regards
J. Chakraborty
