Other Fees

Cannabis Establishment Identification Cards

ID Cards, issued by the Board, are required for everyone working at a licensed cannabis establishment. Owners and principals are issued ID cards as a part of the application and licensing process. Employees must be issued an ID card separately from the licensure process.

Annual fee for Cannabis Establishment ID Card: **\$50 per card**, paid by either the employee or cannabis establishment.

Local Licensing Fees

\$100, paid to the Board and distributed to the municipality where the cannabis establishment is licensed.

Product Licensing

\$50 per type of cannabis and cannabis product sold by retailers and integrated licensees. This fee is paid once annually for a product.

Information for Social Equity Applicants

All licensing and application fees are waived for the first year that a social equity applicant is licensed.

In subsequent years, licensing fees are reduced by this schedule:

- Year 2: Licensee pays 25% of fee
- Year 3: Licensee pays 50% of fee
- Year 4: Licensee pays 75% of fee
- Year 5: Licensee pays full fee

Please note: Social Equity applicants of all forms must pay the full \$500 “intent to apply” fee should they choose to seek pre-qualification. If they choose to seek pre-qualification, their \$500 fee will count as a credit towards future licensing fees in their second year and beyond, if relevant.
