Hi, I am conducting a research project on behalf of Stanford University. Do you offer a CSV or Excel file of all the cultivators, dispensaries, and testing facilities that are licensed in the state of Vermont, along with their addresses?

**Subject:** Request for Information

Hello Mr. Goyal,

The Vermont Cannabis Control Board's website has information about all licensed entities, including their towns, [on this webpage](#). The Board began issuing licenses in May of this year, and the only licenses issued so far are for cultivators and testing laboratories. Addresses of licensees, other than retail licensees, are confidential and exempt from copying under the Public Records Act. See 7 V.S.A. § 901(h)(1) and 1 V.S.A. § 317(c)(1). No retail cannabis establishments have been licensed for the adult-use recreational market at this time.

In Vermont, the term "dispensaries" refers to medical cannabis retail locations that serve only medical patients. They are as follows:

**CERESMED**

2 Green Tree Drive

South Burlington, VT 05403

**CERESMED SOUTH**

- 1) 942 Putney Road  
Brattleboro, VT 05301
- 2) 1641 Route 7  
Middlebury, VT 05753

**GRASSROOTS VERMONT**

84 Lovers Lane

Brandon, VT 05733

**PHYTOCARE VERMONT**

120 Depot Street

Bennington, VT 05201

**VERMONT PATIENTS ALLIANCE**

188 River Street

Montpelier, VT 05602

Nothing in this letter should be construed as a waiver of any privileges or protections over the records of the Cannabis Control Board. If you believe any records have been withheld in error, you may appeal this determination to the Chair of the Board pursuant to 1 V.S.A. § 318. Please submit appeals to me, the Cannabis Control Board's Public Records Officer, at [david.scherr@vermont.gov](mailto:david.scherr@vermont.gov).

Respectfully,

David Scherr

General Counsel, Vermont Cannabis Control Board
