Hi Aaron,

Because this will require us to compile some information from our records, we will treat this email as a public records request and respond accordingly. We will get back to you with the requested information shortly.

More information about economic empowerment status can be found on the [Board's FAQ webpage](#).

Respectfully,

David Scherr

Thanks James,

Is there a way to request further information on the companies that have received the licenses, like names associated with LLCs or contact information? I'm thinking specifically for Valley Organics LLC in Jeffersonville and DBA Kodiak's Treasure in Hyde Park. Also, can you clarify for me what the economic empowerment tier of the priority status means?

Thanks,

No problem - all of that info is detailed on our website: <https://ccb.vermont.gov/licenses>

Let me know if you don't see what you're looking for.

Hi James,

Maybe there was some confusion on my part. I think I meant to request grow licenses and integrated licenses applied for or approved in Lamoille County towns and Waterbury.

Thanks,

Hi Aaron – the window to submit applications for retail licenses does not open until September 1, so we don't have any applications that have been approved or being considered for retail at this time. Let me know if there is anything else you'd like.

Thanks!

James

Hi James et al,

I wanted to submit a public records request for any applications that have been approved or are being considered for any of the towns that are allowing retail cannabis in Lamoille County, including Morristown, Wolcott, Johnson, Cambridge, and Waterbury, which is outside of the county.

Thanks,
