Name

Dave Cuesta

Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

My request is for the company name, primary contact person, email address, and phone number for each active marijuana cultivation licensee in Vermont. I would like the information that was provided on the most recent application to obtain a license, or renew a license. Ideally this information will be returned in a spreadsheet format (Excel, Google sheets, etc.). Thank you!
