Hi David,

Thank you for your previous response to my request below.

In looking at the Cannabis Control Board website I found the following info that is helpful (<https://ccb.vermont.gov/licenses>), but was wondering if you have this info in an excel or csv file format w/ the specific license numbers, etc.

Thank you for your help!

Hi John,

We can provide you license numbers for licensees in an excel format. Is that the information you're looking for?

Best, David

Yes, that would be great and if you have info on the status of the license, license type, and expiration of the license, that info would be super helpful as well.

Also the address and contact information would be great if available.

Thank you for the quick response!
