

## Does Your Packaging Meet the Following Standards?

---

Y/N

### CHILD RESISTANT

- Is your packaging opaque and designed to be difficult for children under 5 to open?
- Does your state provide an exception to child-resistant packaging (to accommodate elderly or disabled consumers, for example)?

### CERTIFICATION

- If child-resistant packaging is required, did you obtain certification from manufacturer that containers or exit packages conform to child-resistant standards and identifies Batch and lot numbers?

OR

- If child-resistant packaging not required, did you obtain certification from manufacturer that containers or exit packages protect cannabis, are made of materials the FDA generally considers safe (21 C.F.R. Parts 170-186) and identifies batch and lot numbers?

### PACKAGING CANNABIS

- Are your cannabis products placed in a container prior to sale?
- Are your solid edible products packaged in a single child-resistant container and demarcated into separate servings or an external child-resistant container with internal containers with warning labels?
- Are your solid edible products marked with a distinguishable identification that the product has THC cannabis?
- Does your liquid edible cannabis product include a measuring component allowing increments of one standard serving?

### EXIT PACKAGES

- Does your exit package refrain from any appeal to minors?

### PACKAGING LAYERS

- Does your outmost packaging layer comply with our warning and advertising standards?

### PRODUCT IDENTIFICATION

- Does your product contain a label with the batch identification number for units containing the same strain or concentrate type, method, chemical and batch of origin?
- Does your product contain the cultivators license number for units containing the same strain or concentrate type, method, chemical and batch of origin?

### WARNING SYMBOL

- Does your label contain a standardized symbol indicating that the product contains THC or cannabis that complies with your state law for the "Universal Symbol"?
- Is your label prominently displayed and clear and legible?

Y/N

#### WARNING STATEMENTS

- Does your label contain a statement warning that:
- The product contains THC or marijuana or cannabis
  - The product is for use only by adults age 21 or older or for use only by authorized patients
  - There may be health risks, including those for pregnant or breast-feeding women
  - The product may impair driving or operating heavy machinery
  - The product must be kept out of reach of children
  - The physical effects of edible product may be delayed by two or more hours

#### PROHIBITIONS

- Does your label or product container refrain from making any false or misleading statements?
- Does your label or product container refrain from targeting consumers under 21 yrs?
- Cannot contain cartoon characters, toys, action figures, animals, balloons, minors, the word "candy," graphics similar to candy, or celebrities?

#### INGREDIENTS

- Does your product label include all ingredients listed in descending order of weight?

#### ALLERGEN WARNINGS

- Does your label for edibles contain a statement that the product contains milk, eggs, fish, shellfish, tree nuts, peanuts, wheat, or soybeans?

#### HEALTH, MEDICAL & DISEASE CLAIMS

- Does your label or marketing or advertising refrain from claiming that your product:
- Diagnoses, mitigates, treats, cures or prevents disease?
  - Describes the relationship between your product and any health condition?
  - Mimics a brand or OTC or prescription drug?
  - Uses any words, symbols or images commonly used in medical or pharmaceutical professions like "RX" or "prescription?"

#### TAMPER-EVIDENT PACKAGING

- Does your product container have one or more indicators or barriers to entry which provide visible evidence of tampering if breached?
- Does your package comprise materials the FDA deems "generally recognized as safe?"

#### SERVING SIZE

- Does your product label state the total amount of THC in the container?
- Does your product label state the number [Type here] of servings and total amount of THC per serving?
