Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

At last night's Burlington City Council meeting it was mentioned that 4 applications have been received for retail cannabis licensing in Burlington. The records I am requesting are name of business, address of proposed location, and website if they have one listed in the application.

Thank you.

Subject: Public Records Response

Hello Mr. Litwin,

Attached please find records responsive to your request for information regarding applications for retail cannabis establishments received by the Cannabis Control Board. Only two applications, not four, have been submitted to the Board. Pursuant to 7 V.S.A. § 901(h)(1)(A), some information contained in applications is confidential and is not subject to release under the Public Records Act.

Nothing in this letter should be construed as a waiver of any privileges or protections over the records of the Cannabis Control Board. If you believe any records have been withheld in error, you may appeal this determination to the Chair of the Board pursuant to 1 V.S.A. § 318. Please submit appeals to me, the Cannabis Control Board's Public Records Officer, at david.scherr@vermont.gov.

Respectfully,

David Scherr
