Hello

I am requesting all copies of request for proposals for the Seed to sale tracking system. I would like copies of each Vendor that respond to request for proposals. If there is more than one Vendor please send all records to me. I would like records of what Vendor responded to the request for proposals and the ones request for information as well. I would like the records for the Vendor that was chosen to be the tracking system for Vermonts cannabis industry. I would also like the records for the first day of recreational sales. I would like the record of all cannabis products and all cannabis sales and the taxes collected from October 1st 2022. I would like the records of number of products sold from Mountain Girl Cannabis and Flora.

Thank you,  
Keith Rowe
