Subject: Public Records Response

Hello,

Attached please find records responsive to your public records request for information related to licensed cannabis establishments in Vermont.

Under Vermont law, information related to a cannabis establishment's security, public safety, trade secrets, and certain other categories is confidential and exempt from public inspection under the Vermont Public Records Act. See [7 V.S.A. Å 901\(h\)\(1\)](#). Confidential information generally includes locations. For that reason, the attached document does not list such information.

Nothing in this letter should be construed as a waiver of any privileges or protections over the records of the Cannabis Control Board. If you believe any records have been withheld in error, you may appeal this determination to the Chair of the Board pursuant to 1 V.S.A. Å 318. Please submit appeals to me, the Cannabis Control Board's Public Records Officer, at david.scherr@vermont.gov.

Respectfully,

David Scherr
