**Subject:** Re: PRA Request - Cannabis License Contact Info - Vermont

Hello Mr. Foley,

Attached please find records responsive to your request for information.

This list includes contact information for issued licenses. We do not have suspended licensees at this time. This list does not include contact information for applicants who have not yet been issued a license, because contact information for cannabis establishment applicants that would reveal the identities of principals and owners is confidential under Vermont law. State statutes provide that this information, along with many other categories of applicant information, is confidential and exempt from public inspection under the Vermont Public Records Act. See [7 V.S.A. § 901\(h\)\(1\)\(A\)](#) and [7 V.S.A. § 881\(a\)\(1\)\(B\)](#). For that reason, the Cannabis Control Board cannot reveal this information.

Nothing in this letter should be construed as a waiver of any privileges or protections over the records of the Cannabis Control Board. If you believe any records have been withheld in error, you may appeal this determination to the Chair of the Board pursuant to 1 V.S.A. § 318. Please submit appeals to me, the Cannabis Control Board's Public Records Officer, at [david.scherr@vermont.gov](mailto:david.scherr@vermont.gov).

Respectfully,

David Scherr
