Dear Mr. Falco,

Re: "request copies of the construction permit/change of use permit applications for any of the tier 3 processors."

The records you request are not within the scope of the Vermont Public Records Act. See 1 VSA § 317. The records and materials the Vermont Cannabis Control Board collects are confidential and protected by statute. See 7 VSA § 901(h)(1)(B). The protections under statute prohibit disclosure of security, employment, public safety, transportation, and trade secrets materials. It is the Board's view that the materials you request fall under one or more of these protections. As such, the CCB will be unable to satisfy your request.

Sincerely,

Raynald Carre
