Hi,

Can you send me data on the number of active cultivation licenses, and canopy sq.ft for each licensee? and if they are outdoor or indoor?

Thanks,  
Wendell

Good Afternoon Wendell Orphe,

Attached is a spreadsheet demonstrating your requested data.

On January 31, 2023, you requested: "Can you send me data on the number of active cultivation licenses, and canopy sq.ft for each licensee? and if they are outdoor or indoor?"

The CCB cannot release information it treats as trade secrets. The CCB reads that term broadly to include any and all materials a licensee has confided with the CCB that purports to reflect the real space and dimensions of their cultivation operations.

The CCB can however provide the licensees by cultivation tier, and the corresponding limitations on those tiers footprint.

Best,

**Raynald A. Carre**
