Subject: Webform submission from: Public Records Request Form

Name

Ivo Skoric

Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

I would like to know the number of total medical users in Vermont, and the number of new medical users for every year since the beginning of the program in 2004 until today. Also, I would like to know whether you have a breakdown of number of medical users according to the reason for use (I am a medical user for chronic pain, for example). Where can I find that data?

Dear Mr. Skoric,

Although we do not have a discrete record containing the details you have requested, our Marijuana Program Administrator has compiled responsive data in the attached PDF, which I hope is useful to you. Don't hesitate to call if you have questions.

Thanks,
Gabe
