Hi Liberty,

Thanks for your patience. There is one staff account I've not yet been able to check, but in the interest of time, I'd like to share with you the responsive emails located so far. It seems highly likely that this message includes everything that will be found in the account I have yet to access, but I might not be able to confirm that with complete confidence until Monday.

The Outlook message files attached are produced in their original file format, including attached files. You will notice that one message refers to content in a SharePoint folder. I accessed that folder and located a compilation of November 2022 email about 64 Prindle Rd. (Prindle Road Matter.pdf) that the creator had compiled into a single PDF binder. Please find that PDF binder attached alongside the messages.

I have not found it necessary to redact or withhold any responsive records.

Don't hesitate to call if you have questions, and enjoy the weekend.

Best,
Gabe

Subject: Public Records Request- 64 Prindle Road

Hi Gabe,

Liberty Darr with The Citizen out of Charlotte here.

Under the Vermont Public Records Law, Title 1 V.S.A. § 315 et seq. I am making a public records request for any and all written correspondence the Cannabis Control Board had regarding a cannabis cultivation at 64 Prindle Rd in Charlotte, VT during the month of November 2022.

Please include specifically a notification sent to the town on November 10, 2022. An email from Dean Bloch sent on November 11, 2022, disagreeing with the State's determination. And an email the State received on November 14, 2022, from Dr. Andrew Hale.

Thank you,

Liberty Darr
