Hi Colleen,

The number of cannabis establishment ID card holders as of today is 1164. This would include owners, but we do not currently have a way of differentiating which / how many of those cards are for owners.

As an FYI, we do share this number in our monthly Board meetings during the Executive Director report, which gets posted to our website:

https://ccb.vermont.gov/sites/ccb/files/2023-08/CCB.Mtg_07.19.23.pdf

The number shared in that report does differ from the number I just gave you, but that's entirely because those numbers were current as of our Board meeting back on the 19th.

Thank you,

Nellie

Hi Nellie,

Is it possible to get an updated number and does this include owners?

Thanks,

Colleen
