**Subject:** FOIA REQUEST

I'd like to see James Peppers emails from the week leading up to the Holland recall. Maybe you could provide those records without raping me in the ass. Thanks!

Lemme ask you this, Gabriel - and sorry about my wording there, I'm just getting incredibly frustrated here - what can I get for \$0?

Costs are a function of compliance time, so precision really helps. I want to get you what you're interested in, but I have to do it with care not violate the legal privacy of others in the process. Broad requests, especially those for records heavy on privileged or confidential communications, can become very time consuming.

I wouldn't say I classify "one week of emails" as a "broad request". If I didn't know any better, I'd say it's almost like the state doesn't want journalists finding out what you guys are up to!
