Dear Ms. Standaert:

Since it began operating in 2022, the Cannabis Control Board has assessed the following penalties. This agency does not have custody of disciplinary records concerning the medical cannabis program prior to 2022, when it was administered by the Vermont Department of Public Safety.

- 1/23 - Green River Cannabis Co.: \$5,000, of which \$2,500 collected, \$2,500 suspended in contemplation of discharge if compliant with corrective action plan. Failure to test, log, register product.
- 2/23 - Tall Truck, LLC: \$40,000. Transporting cannabis out of state.
- 5/23 - Mend Botanical, LLC: \$20,000. Operating without required permits and selling unregistered cannabis.
- 6/23 - Holland Cannabis, LLC: \$37,000, of which \$27,300 collected, remainder expended on enhanced testing pursuant to settlement agreement. Adulteration by prohibited pesticide.

Please describe the records you are requesting and provide as much specificity as possible, including applicable date ranges.

I am looking for fines imposed against both recreational and medical marijuana facilities (including dispensaries and cultivation centers) for noncompliance with licensing and/or regulatory requirements. Preferred date range for these enforcement actions is 2000-present but the scope can certainly be narrowed. Ideally, this information would be in spreadsheet format, but individual documents are also fine. There are a few necessary fields: name of business, location of business, date of fine, amount of fine, and reason for penalty.
